I do not have an attorney, but am more than happy to discuss with you what it is your seeking. Call me Monday after 1pm I'll make myself available.

Thanks

Mr. Cesario,

Good afternoon. I received an email from you indirectly that I believe was sent our "Contact Us" email. I am one of the attorneys for Ms. Picard in the above case.

Do you have an attorney I should speak with? As I explained in the letter served with the Complaint, Ms. Picard requested that the Court award a portion of certain assets seized by the government in the CMG federal case, but the Court ruled that the request is premature because there is no judgment in the civil case yet and defendants had not been served.

If you do not have an attorney and would like to discuss the case, let me know a good time and I can give you a call.

Best,

Brendan
